

The political challenges ahead

Emma Bridge
Community Energy England

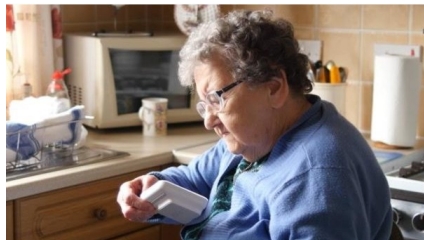

Community Energy England

Putting people at the heart of energy

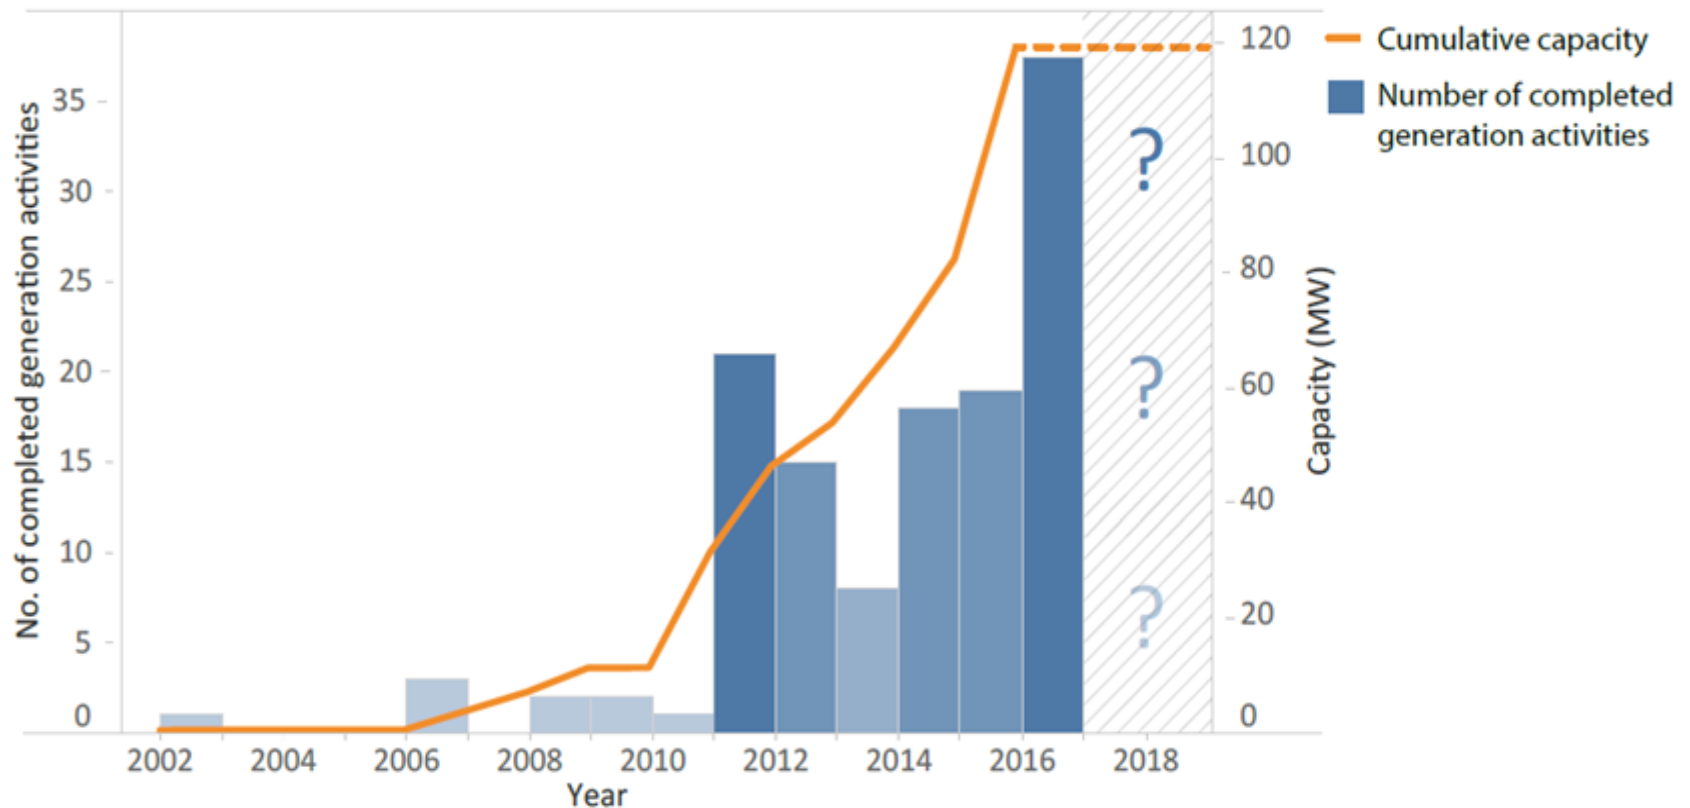

- Founded by the sector to:
 - Create a voice for community energy
 - Support sector development
 - Build cross-sector partnerships
- >200 member organisations

Community energy is...

Activities and capacity to date

The challenges ahead

- Post subsidy
- Energy transition?
- Planning policy
- Heat and transport
- Energy efficiency
- Devolution
- Brexit and UK climate leadership
- Political v public opinion

Opportunities

- Public awareness and support
- Collaboration
- Innovative technologies
- New business models
- Holistic approaches to energy
- Social impact
- Community energy as a trusted intermediary

How you can help

- Support campaigns and sign petitions e.g. 10:10
- Invest: <https://communityenergyengland.org/pages/share-offers>
- Ongoing conversations with your MP & councillor
- Spread the word
- Get involved in Community Energy Fortnight
- Make sure your energy supply is from green (and community) sources
- Support CEE's activities
 - Policy, communications, advocacy, building capacity, funding, events
